Quintin Beazer, Ph.D.

The Rule of Law in Kazakhstan

Professor Beazer is an associate professor of political science at Florida State University. He is also an associate fellow at the International Center for the Study of Institutions and Development at the Higher School of Economics in Moscow. Professor Beazer will provide cultural information about Kazakhstan in advance of the arrival of the Open World Delegation.

Dr. Beazer studies comparative and international political economy and authoritarian politics, with specialization in the politics of Russia and the post-communist countries.

Beazer's research examines how politics and economics interact in "messy" environments where institutions are weak, in transition, or non democratic.

Dr. Beazer obtained his Bachelor of Arts in International Studies and English at Utah State University, then continued on to Masters of Arts in Political Science and Economics at The Ohio State University, followed by a Ph.D in Political Science.

Professor Beazer's research has been published in the *American Journal of Political Science* and the *Journal of Politics*.

Foundation Fundraising Update

Thank you, Allan Franklin and Culpepper Construction, for donating a box at the Civic Center for the FSU Women's Basketball game this past Sunday. Although regrettably our Lady Noles lost their game, our Rotary Foundation picked up \$1,200 in contributions. A special thank you to our 12 fellow Rotarians who supported this endeavor.

Our "Team Fundraising Competition" is going strong thanks to the efforts of our team captains and their team members. The purpose of the competition is to raise awareness of the opportunities to give to the Foundation and to meet this year's goal of raising \$65, 000 for the Annual Fund. Our Team Captains Donna Thornton, Ivan Johnson, Sam Rogers and Steve Liner have generated Annual Fund contributions of over \$17,000 within the last month! Combined with contributions already received during this Rotary year, we are closing in on being at 70% of our goal. If they have not already done so, Team Captains and members will be contacting you to seek your support.
