Rotary Club of Tallahassee

June 5, 2019

Tallahassee Historical Society

Founded in 1933, the Tallahassee Historical Society, Inc. is a 501(c) (3) organization that welcomes individuals who enjoy learning about and sharing state and local history. Evening meetings on the second Thursday from October to April offer programs by experts on topics ranging from history and culture to architecture, archeology, and preservation. In May, members gather for a festive picnic. The society also schedules daytime lectures and partners with other organizations to present special events. Every activity features stimulating conversation and rewarding fellowship.

We meet from October through May. Our regular meeting day is the second Thursday of each month, from 7 pm – 8 pm. After the presentation, we have a half-hour to share snacks brought by members, for an informal get-together.

Some of our meetings have included topics such as: Florida State University World War II Archives; Mission San Luis; Social and Cultural History that Documents Growth of Tallahassee in the Last Half of the 19th Century; and, The Civil War Soldiers at Natural Bridge: Their Dress, Accouterments, and Everyday Life.

Doing Good in the World!

Rotary International asks that each member give a minimum \$100 a year to the Foundation – Every Rotarian, Every Year. That's twenty-eight cents a day. Being a Rotarian is being a part of something much bigger and allows us to accomplish collectively what we could never accomplish alone. So, if you've not made your annual contribution to the Foundation, join your fellow RCT members in making a contribution.

Your \$100 donation to the Foundation can provide a hearing aid for a deaf child in a developing country

Your \$500 donation to the Foundation can provide five sewing businesses to give poor mothers in Mexico a better ability to lead self-sufficient lives.

Your \$1,000 donation to the Foundation can provide numerous micro-loans enabling women in Nicaragua to start a craft business to support their families or can buy polio vaccine for 2,000 babies in Nigeria.
